Relevant Experience

Frontend Developer, **Devoteam Creative Tech**

November 2022 — Present

- Developed user-friendly and responsive web pages
- Collaborated with UX/UI designers to ensure the design is implemented as per the requirements
- Ensured cross-browser compatibility and optimized the application for performance
- Conducted code reviews and collaborated with other developers to ensure the code met the coding standards and best practices
- Troubleshoot issues and provided solutions to improve the user experience

Full-stack Developer, **Bonnier Healthcare**

April 2021 — November 2022

- Developed and designed major features on one of Bonnier Healthcare's customer-facing web app using PHP, Laravel, ES6, Vue, jQuery, SQL, Google Charts, PivotTable.js, Vuetify, HTML and (S)CSS
- Wrote modern, performant, and robust code for a diverse array of client and internal projects
- Communicated and collaborated with developers, designers and producers on a daily basis
- Contributed extensively to brainstorming and strategy meetings with Project Manager and Team Lead to determine ideal methods to meet project goals
